Instructor: Stephen R. Andrew LCSW. LADC. CCS. CGP.

Stephen R. Andrew is a well known instructor and supervisor who has specialized in the Motivational Interviewing technique. He has vast experience and has travelled worldwide in order to teach this method in interviewing.

Stephen is the co-author of the books “GamePlan: A Man’s Guide to Achieving Emotional Fitness” and “Men’s Healing: A Toolbox for Life” with our friend, Dr. David Powell.

About 50 Icelanders participated in this seminar with him in 2016 and have praised it as very helpful in their life and work. Everybody agrees that he is very entertaining and knowledgeable.

**A great seminar that psychologists, social workers and counselors,
among others, have highly praised**

The seminar is tailored to counselors but is open to everybody.
